*Maharashtra State Board of Secondary & Higher Secondary Education, Pune Board.*

*(Percentage: 82%)*

May 2012 - April 2018

Maharashtra, India

## OBJECTIVE

---

As a highly motivated and detailed- oriented individual with a passion for a passion for computer science and engineering, my objective is to secure a challenging position in a dynamic organization that allows me to utilize my technical skills and creativity to develop innovation solutions. With a strong foundation in programming languages such as Java and C. I am eager to work on real- world projects and contribute to the growth of the organization. My philosophy of "Finishing Tomorrow's Tasks Today and Today's Task Right now", reflects my commitment to delivering Quality work in a timely and efficient manner. I am excited to collaborate with other like-minded professionals and continue to develop my skills in the field of computer science and engineering.

## PROJECTS Alva's Stationery Management System (CSS, PHP, MySQL)

---

The aim of the stationery Management System project is to develop a user- friendly windows- based application that will assist the inventory mangers of the most Stationery shop in organizing and optimizing their inventory management. The system will enable the addition and storage details of the stationery items into various categories the prise, quantity and quality of the items to customers if necessary. The project is being developed using PHP and MySQL database, and the design is intended to be simple to use for all types of users, including those who have lack the of necessary qualifications. The goal of this project is to improve the efficiency and effectiveness of the inventory management system at the Most Stationery shop, making it easier for staff to keep daily records and track their stock.

## ACHIEVEMENTS

- 
- Solved more than 160+ C Programming and Java Programming problems

- Participated in inter College event called WarTex and secured second place in Mobi-World competition (Android Application Idea presentation).

## CODING PROFILE LINKS

---

- [Codechef](#) - 140+ Questions solved (Highest rating - 1090)
- [Hackerrank](#) – 70+ questions solved and earned silver badge in C and Java

## SKILLS

---

**Technical Skills** C, CORE JAVA, MYSQL, Data Structures in C (Intermediate).

**Soft Skills** Communication, Leadership, Team Work.

## EXTRA INTERESTS

---

- Cycling.
- Photography.

## EXTRA-CURRICULAR ACTIVITIES

---

- Attended a Cleaning Activity conducted by our college at Todar.
- Conducted Computer Training for Government High School Students at Bailuru.
- Volunteered Campus Food Fest conducted by our college.
- Volunteered International Cultural Jamboree- 2022 conducted by Alva's Education Foundation for 7 days.
